Rationalization of BioClean BSNS, BUPs & BPZs + Alternatives

Dear Valued Customer,

We are writing to you to inform you that we will be rationalizing our **BioClean Supreme BSNS, BioClean Ultimate BUPs, and BioClean P-Zero BPZs** cleanroom gloves from our inventory. This decision was made after careful consideration from strategic focus on prioritizing internally manufactured solutions.

As a replacement for the rationalized BioClean Styles, we are implementing our **TouchNTuff® 73-500 and DermaShield™ 73-711** gloves as the recommended alternatives.

Recommended Alternative Features/Benefits:

TouchNTuff® 73-500 and DermShield 73-711

- Class 100 (ISO 5) cleanroom capability for assured cleanliness
- Latex-free, chemical accelerator free for fewer allergy risks
- Robust neoprene formulation for chemical splash resistance and durability

Please reference the chart below for a detailed overview of the rationalized styles and alternatives

Items to be rationalized		1st Recommended Alternative		2nd Recommended Alternative	
External ID #	Item Description	External ID #	Item Description	External ID #	Item Description
BSNS-60	BIOCLN BSNS SUPRENE STR 300MM PCP 6.0	73711060	DERMASHIELD 73711 SIZE 6,0	73500060	TouchNTuff 73500 Size 6,0

This transition will take place over the next six (6) months to avoid any supply disruption, dated from this communication. We encourage you to contact your Ansell sales representative to validate the new alternative styles as soon as possible while continuing to use the existing BioClean™ BSNS, BUPPS, BPZS, stock during the transition period.

Attached you will find a detailed product specification comparison between the current and alternative gloves that were discussed in this announcement. All product data sheets are available via www.ansell.com. Validation packs for alternative gloves can be provided upon request by your Ansell sales or customer service representatives.

We are committed to ensuring a smooth transition for our customers and will aid and support to guide you through this change. For additional questions or concerns please contact your local Ansell sales representative.

Thank you for your continued loyalty and support.
